

# Stage 2 Area 4

- 1 Split up, one character should get the timed switch south while the others move ahead east.
- 2 The boxes contain handguns; shoot the target to open the door and get the boxes inside.
- 3 Place a weapon on the red switch to get the boxes behind the red barrier.
- 4 Break the left boulder to get access to the heal ring

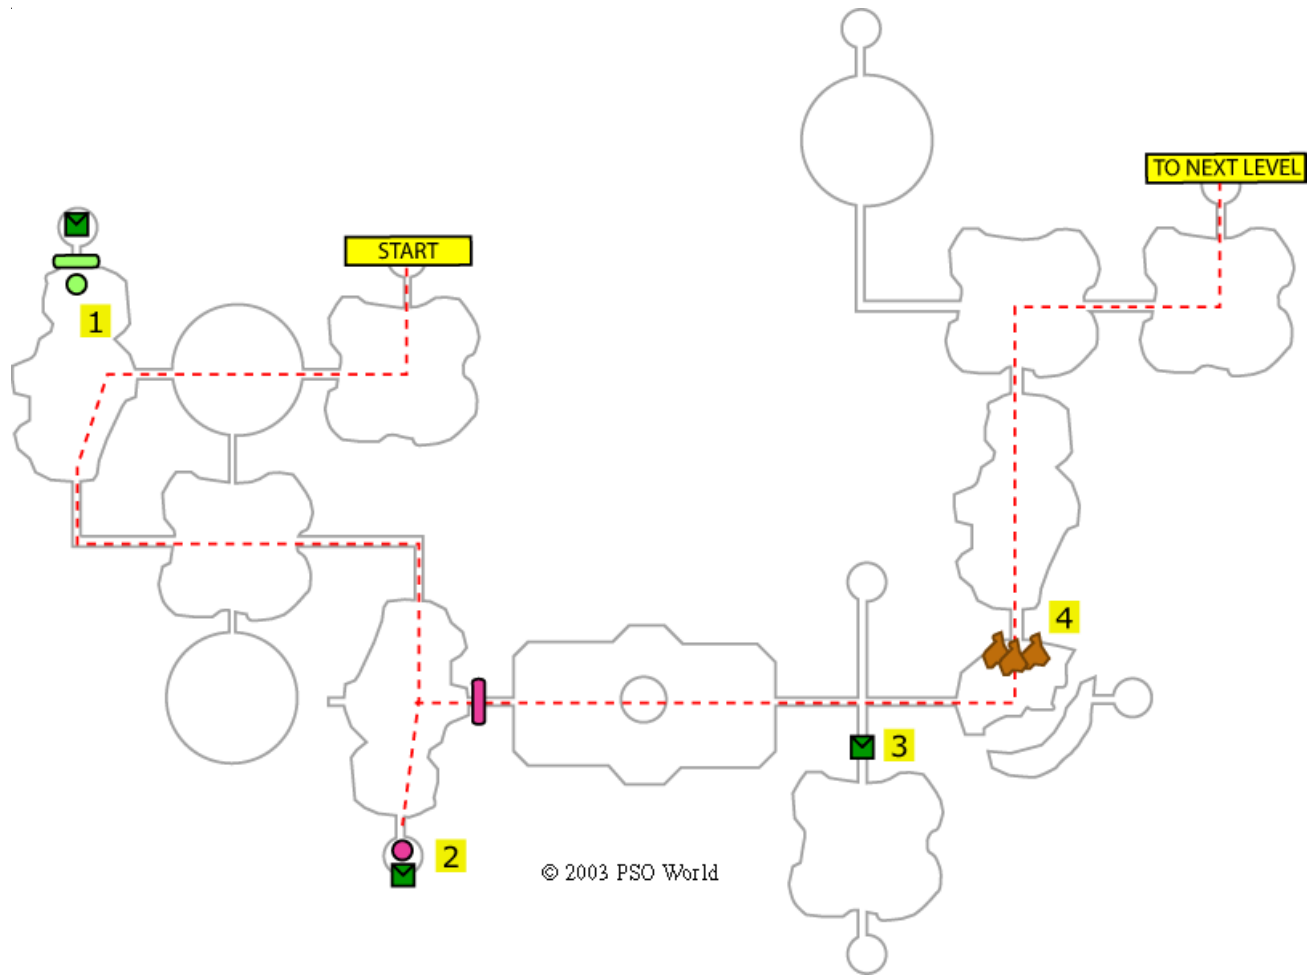

# Stage 2 Area 5

© 2003 PSO World

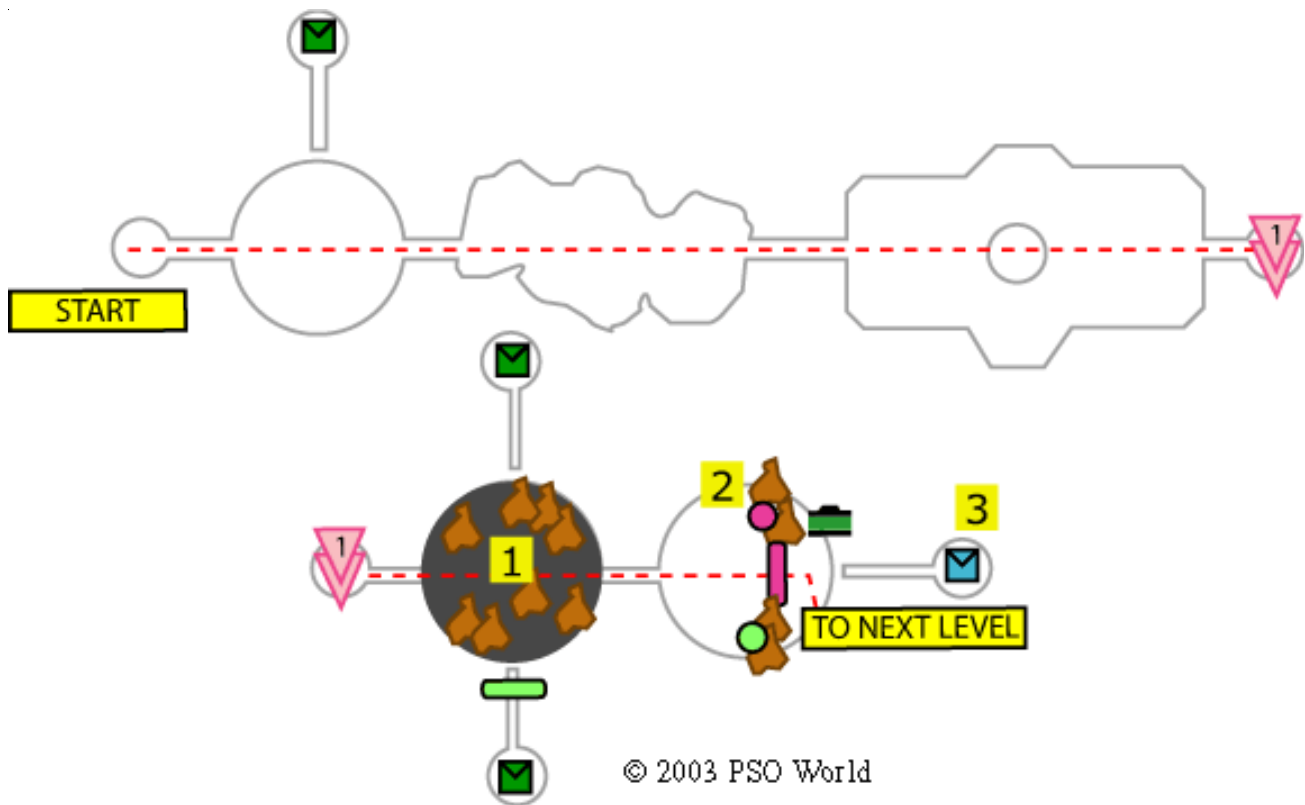

- 1 Ignore the enemies here. You can go through the north wall.
- 2 A player with a gun should stand on the first switch and destroy the boxes.
- 3 Past the teleporter to the next area and traps is a room with a false wall that contains boxes. If you're not doing TA, an android may want to go ahead and get the boxes

# Stage 2 Area 6

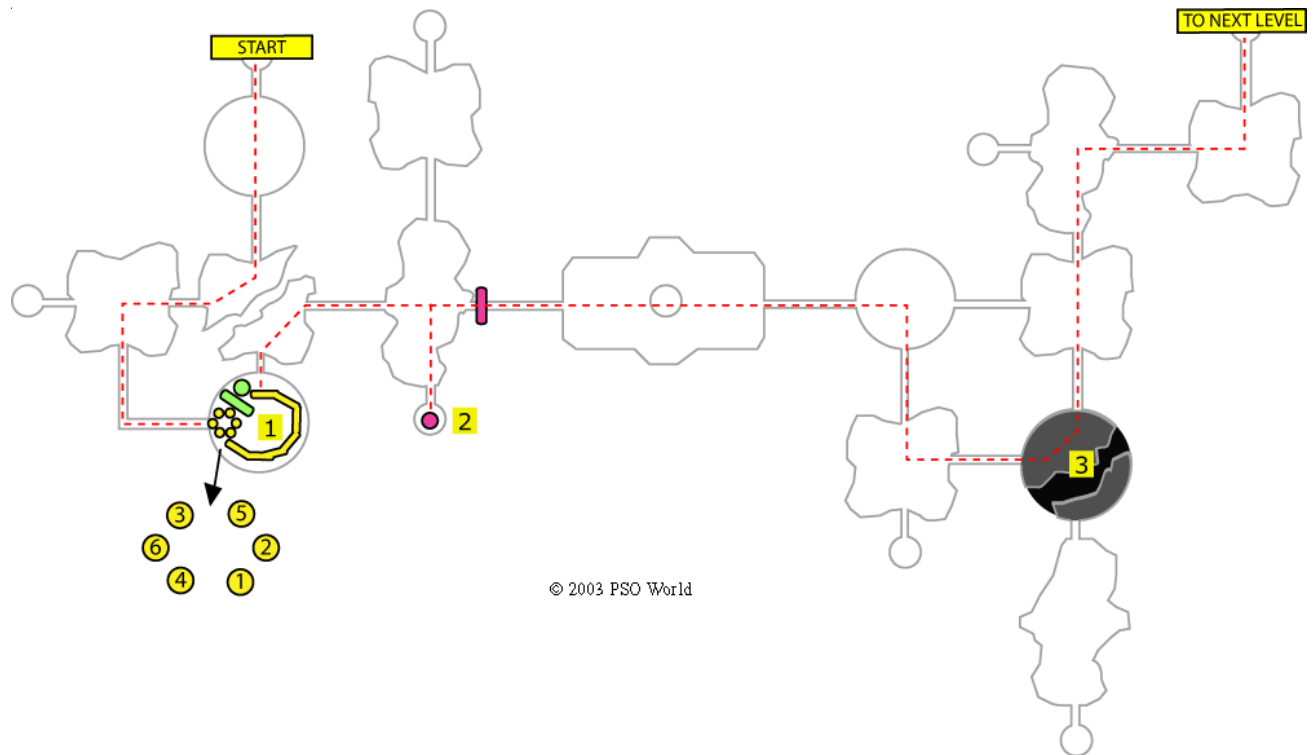

- 1 Shoot the target to open the door; there are boxes in the room.
- 2 Place 4 weapons on the pink switch to open the door to the next room.
- 3 Box in point 3 contains armor.
- 4 There are traps in this room. Shoot through rocks to move ahead.

# Stage 2 Area 7

- 1 In the dark room, there's a boulder to the north that can be destroyed - use a gun as the target is high; it leads to boxes. The other members of the team should go east and destroy the boulder there.
- 2 Destroy boulder to uncover switch.
- 3 The fake wall leads to a room with boxes that contain shields; retrieve them as they are needed for the next area.

# Stage 2 Area 8

- 1 Step on the yellow switches in order to allow a player through.
- 2 Place 4 shields on the pink switch to open the door to the next room.
- 3 This room is dark and has traps. Once you step on the switch either blue or red flames will appear one at a time. Destroy them all to move on to the next room.
